Key learning outcome: Independently devise key questions to develop understanding of a text.

Task: You will need to read or listen up to chapter 4 for this activity. (If you would like to base this activity on another chapter and ask a different character some questions to deepen your understanding, please do.) You are in the role of Harry Potter and you need to ask Hagrid five questions to gain a better understanding of yourself, Hagrid and why you have received this letter. Afterwards, write a response to each question in the role of Hagrid. If you have not read the whole of this book, you can make up your own responses as shown in the example.

Example Question:	Why are my parents famous?
Example Response:	They created a potion that cured Grumplewarp (a serious disease affecting muggles).
