Word Search

Key Learning: emphasise pupils' enjoyment and understanding of language, especially vocabulary, to support their reading.

Task: Create a word search.

Explanation of activity: Find a range of interesting words or words you are unfamiliar with (approx. 10 words) from chapter 1 (or any others that you have listened to or read) of Harry Potter and the Philosopher's Stone. Define these words to gain a better understanding of them, then create a word search for someone at home to complete. You could use a dictionary or the search engine 'swiggle.org.uk'.
