Message from the Headteacher

I hope you all had a good half term break. The team who volunteered to go to Cornwall with Year 6 certainly needed the rest! Year 6 were amazing while we were away and every child, without fail, joined in, tried their best and made lasting memories of their final few weeks at Primary school. Let's hope that next week's Yr 3 trip to the Jurassic Coast will be as good – I am sure it will be.

Lunchtime staff have told me that they are getting concerned about a small number of children who have inappropriate food in their lunch boxes. With the exception of a ban on peanuts as we have become a "nut-free" school, we do not issue a list of foods which are banned as we leave this to parents' common sense. However, it is difficult to see how some parents can consider sweets and chocolate bars and chocolate donuts as suitable contents for a lunch box. I have asked the lunchtime staff to keep me informed.

We have a busy few weeks ahead of us preparing for Sports Day, Summer concert and Year 5 and 6 play, not to mention the Fete. Let's hope the sun shines!

Best wishes

Simon White

Don't just take our word for it – this is what the children said:

"The Cornwall trip was a great experience. I doubt I will ever forget it." Freya

"It was the best residential we have ever had. The food was amazing!" Corey

"It was a really fun experience and the excellent adventures were very tiring!" Edward.

Our current Mission Shaw Christian value is...

WISDOM - This term we focus on the value of WISDOM. We will explore the what wisdom is and how we can make wise decisions. We will look at Bible stories which show wisdom in action. The School Council are working on an award system to reward children who demonstrate our Christian values in everyday life. I wonder who will get an award for wisdom?

Being good neighbours

Please do not use the entrance and drive way of Whitley Golf Club to park your car when dropping off or collecting children from school. It is private property and not a parking area for the school.

The golf club supports the school at the Summer Fete by providing parking in their field and also raffle prizes and we would very much like to maintain a good relationship with the Club.

Thank you.

As mentioned in the last newsletter, we are considering opening Breakfast Club from 7.45am if there is sufficient demand. We are reluctant to increase prices so it would only work if it increased the number of children attending and therefore increased income to cover costs. Let us know what you think on feedback@shaw.wilts.sch.uk
